The screenshot shows the 'TeamServer Query - Untitled' window. At the top, there are icons for file operations (New, Open, Save, etc.) and a menu bar. Below the menu bar, there are input fields for 'Team' and 'Work Area', each with a dropdown arrow. The main area contains a query editor with the following text:

```

And
Product
Equals
TSM
And
High Priority Bugs

```

Below the query editor, there is a table with the following data:

Analysis	Flow	Operator	Value
	Product	Equals	TSM
And	High Priority Bugs		

A large, hand-drawn black arrow points from the 'High Priority Bugs' cell in the table to the 'And' cell in the query editor above it.
